ROBEANNY

Robeanny Bastardo Liconte

Professional Model
Content Creator

164 cm

Venezuelan
Based in Medellín

Available for remote
brand collaborations

A presence built to translate.

Robeanny brings an editorial eye to commercial content: expressive on camera, precise in movement, and adaptable across fashion, beauty, jewelry, hair, lifestyle and social-first campaigns.

Born in Venezuela. Based in Medellín, Colombia.
Working remotely with brands and creative teams internationally.

Close
enough
to feel.

BEAUTY / HAIR / JEWELRY
SKINCARE / ACCESSORIES

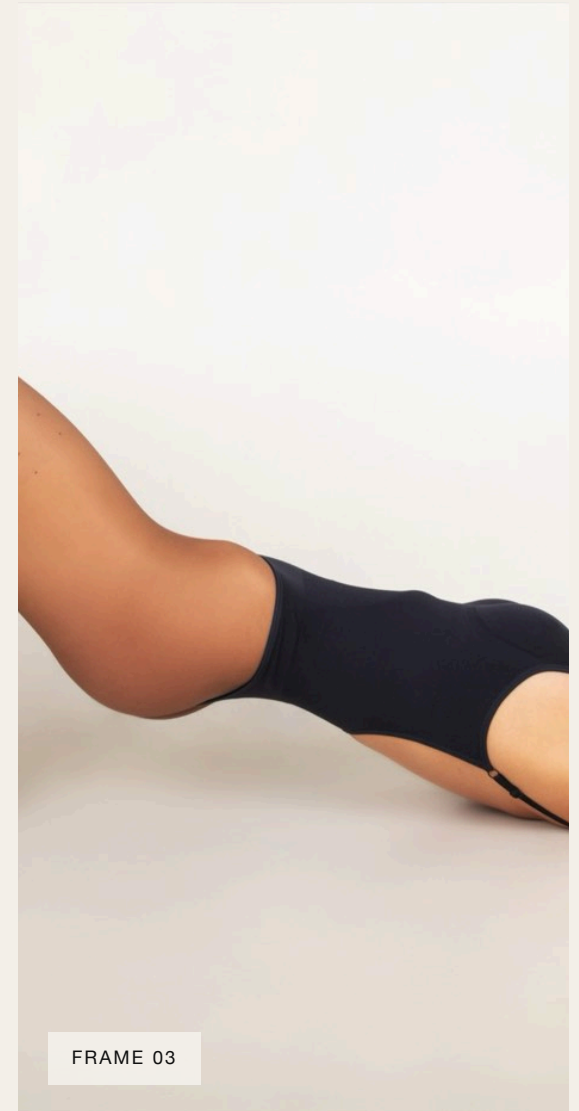

04 / RANGE

One face. Different worlds.

Soft or graphic. Polished or intimate. Editorial or commercial. The goal is never to repeat the same image, but to give each brand a distinct visual language.

Shape. Line. Attitude.

A selection focused on silhouette, expression and clean visual direction.

Built for the brief.

Beauty lives in the detail.

Clean close-ups and expressive portraiture designed
for beauty, hair, skincare, jewelry and product-led
creative.

From brief to frame.

UGC & social content

Beauty / fashion / lifestyle

Branded photo & video

E-commerce & product imagery

Product launches

Remote castings & self-tapes

Available for remote collaborations with international brands.
Creative can be produced around your references, shot list,
campaign direction and deliverables.

Studio-ready in Medellín.

Professional photo and video production is available in Medellín for campaign, product and social assets. Projects can be developed around brand direction with studio production available through Imaki Films.

Let's make something worth remembering.

For collaborations, campaigns, content production
and remote creative work.
